International Conference on Advances in Science, Engineering and Technology (ICASET-2021) – Hybrid Conference 29th & 30th December 2021

Co Host Organizing Committee

CONFERENCE CHAIR

Dr.P.Manimaran,
Principal,
Karpagam Institute of Technology

Dr.D.Bhanu
Vice Principal,
Karpagam Institute of Technology

STEERING COMMITTEE CHAIR

Dr. K. Muthukumar,
Head of the Department,
Electrical and Electronics
Engineering,
Karpagam Institute of Technology

STEERING COMMITTEE MEMBERS

Mr.K.Sabareeshwaran,
Assistant Professor,
Department of Electrical and
Electronics Engineering,
Karpagam Institute of Technology

Mrs. R.Radha,
Assistant Professor,
Department of Electrical and
Electronics Engineering,
Karpagam Institute of Technology

Ms. R.Felshiya Rajakumari,
Assistant Professor,
Department of Electrical and
Electronics Engineering,
Karpagam Institute of Technology

CONVENERS

Mr.M.Murugesan,
Assistant Professor,
Department of Electrical and
Electronics Engineering,
Karpagam Institute of Technology

Mr. M.Gunasekaran,
Assistant Professor,
Department of Electrical and
Electronics Engineering,
Karpagam Institute of Technology

Date: 13th November 2021

Dear Sir/Madam,
Greetings!

It is with great pleasure that we would like to inform and invite you to participate for International Conference on Advances in Science, Engineering and Technology - ICASET 2021, Hybrid Conference. The Conference is co hosted by Karpagam Institute of Technology, Coimbatore in association with IFREP and will be held hybrid this time 29th & 30th December 2021 amid of COVID-19 pandemic situation in the country.

Karpagam Institute of Technology (KIT) recognises the top performers and meritorious engineering students with educational scholarships. A team of dynamic faculty, diverse student community and the state-of-art facilities available in the premises brand the institution as a querencia. Engineering education is provided at its best in this college. The pedagogy followed in this top engineering college in Coimbatore equips our students to be on par with the latest technological developments. It creates a milieu which provides a platform for scholarly development, independent thinking and personal growth for the engineering students and also equips them with top employability skills, through practical training in the top industries which are indispensable to take their career growth a step higher. Students at KIT, one of the top Engineering colleges in Coimbatore find themselves involved in both co-curricular and extra-curricular activities. The college provides equal opportunities in sports and fine arts to showcase their talents in addition to the engineering excellence thereby aiding in their overall development. Alumni's valuable feedback is also taken to train our college students as per the top industrial requirements.

The intent behind the multidisciplinary international conference is to provide a common platform, where academia, delegates from industry, and nominees from various Government and Private Universities and Institutions can sit together, and cherish achievements so far, as well as deliberate upon futuristic approaches along with will get a chance to interact with researchers across the world. The deliberations will not only encompass all avenues of Electrical, Electronics, Computer Science, and Information Technology, Biotechnology, Mechanical, Civil, Basic Science, Master of Business Administration (MBA) but also through a spotlight on the positive and inadvertent impact of modern technologies on society.

All the papers, after scrutiny and acceptance, will be published in conference proceedings with unique ISBN No : 978-93-92105-24-1 specified on the website (<https://icaset.in/>) The same will then be published in reputed Scopus indexed journals. The extended papers will be peer-reviewed and published in SCOPUS indexed listed on the conference website.

A full-length paper can be submitted to <https://icaset.in/abstract-and-full-paper-submission.php>. Detailed Conference and Institute information is available in the website <https://icaset.in/>. The poster of the conference is attached herewith. As per suggestion of the review committee, accepted/registered papers will be published in Scopus Indexed Journals with additional charges after conference.

We welcome you and your faculty to participate/ present your research outputs and forward this information to your departments and students for their active participation and paper publication in this virtual conference.

With Warm Regards,

Dr. K. Muthukumar,
Head of the Department,
Electrical and Electronics Engineering,
ICASET2021, Steering Committee Chair,
Karpagam Institute of Technology,
Coimbatore
